ORIGEM

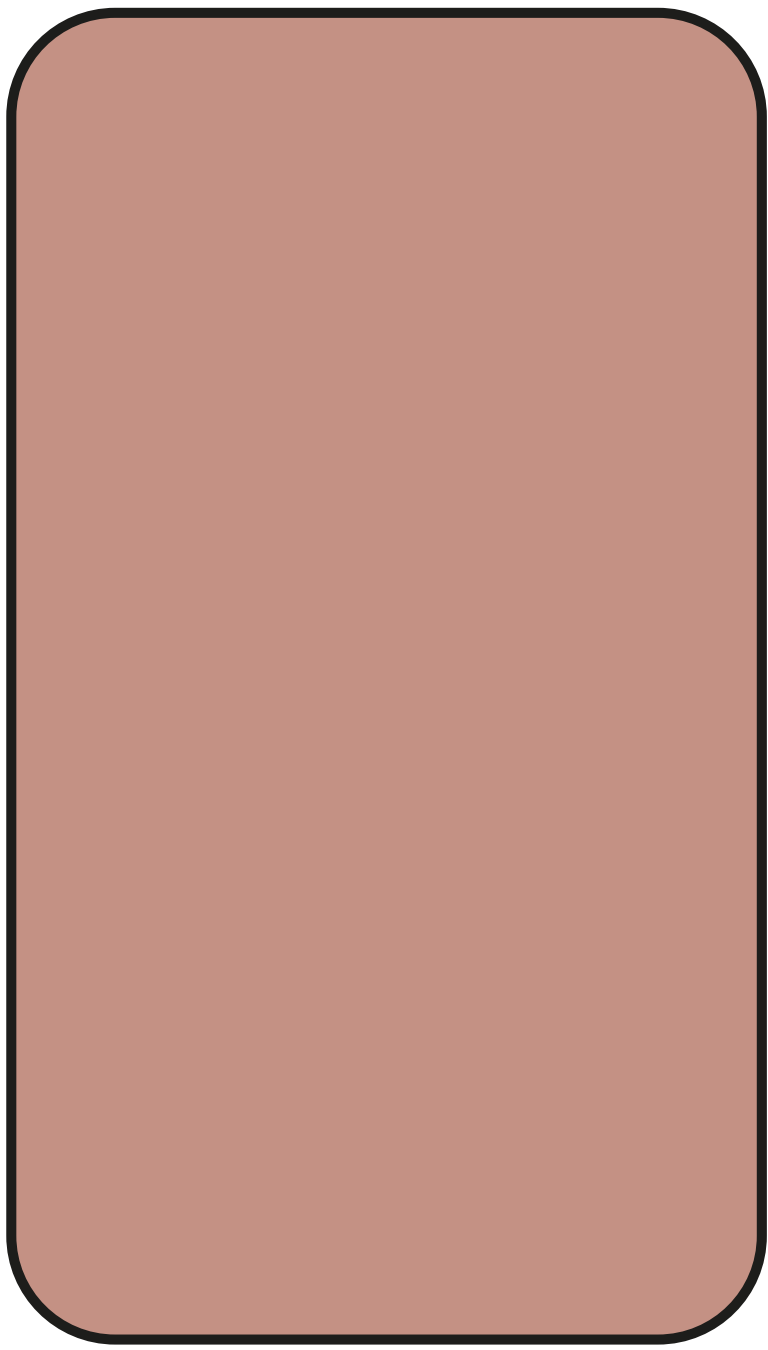

# ORIGEM

Há começos que parecem pequenos, mas carregam grandes histórias. O nosso começou com uma roda d'água. Desde então, foram quinze anos construindo, aprendendo, transformando e deixando nossa marca em cada etapa. Cada escolha, cada desafio e cada conquista ajudaram a formar quem somos hoje. E, neste ano em que celebramos 15 anos de Urbano Têxtil, voltar à origem ganha um significado ainda maior. Porque olhar para o começo é reconhecer tudo o que nos trouxe até aqui. É lembrar que antes de cada conquista existiu um primeiro passo. Antes de cada coleção, uma ideia. Antes de tudo aquilo que somos hoje, existiu a coragem de começar.

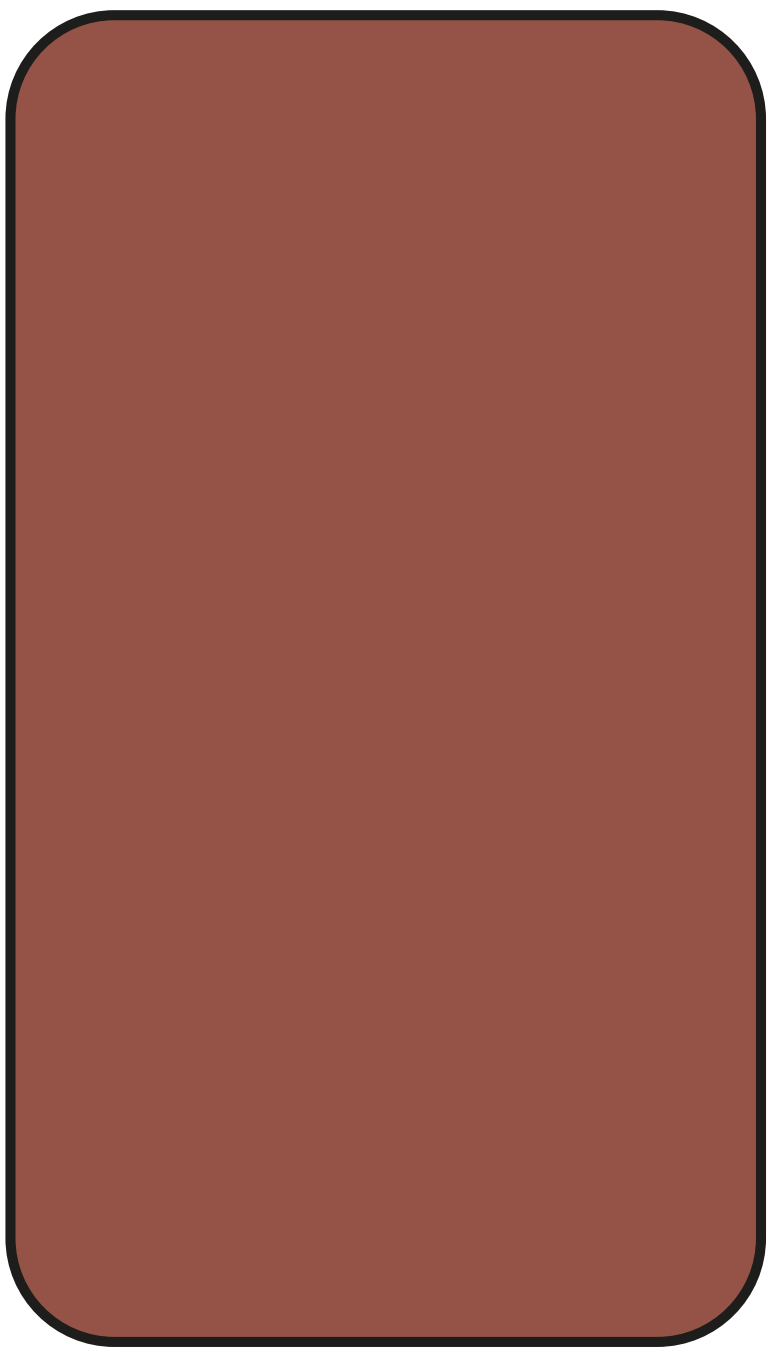

## Origem é memória.

É também reconhecer os valores que nos acompanham nessa caminhada: a simplicidade de fazer o essencial bem feito, a integridade para seguir sempre pelo caminho certo, o compromisso com aquilo que fazemos e, acima de tudo, com as pessoas que fazem parte dessa jornada. É acreditar que fazer acontecer não é apenas chegar ao resultado, mas ter coragem para começar, disposição para continuar e vontade de fazer cada vez melhor. Esta coleção nasce desse olhar para a nossa história, para a nossa essência e para tudo aquilo que nos trouxe até aqui. É sobre olhar para trás com orgulho, reconhecer cada passo da caminhada e carregar conosco aquilo que nos tornou quem somos. Para lembrar que, por mais longe que a gente chegue, nunca devemos esquecer de onde tudo começou. Porque o futuro sempre nos convida a seguir, transformar e criar novos caminhos. E são os valores que carregamos conosco que dão sentido a cada novo passo.
